

Living Stewardship

About this Faith Practice

As a way of life, expressed in gratitude, living stewardship is a practice that involves all that it means to live as faithful followers of Jesus Christ. It grows out of a deep caring for and joy in who we are as God's created people and the natural world in which we live. Living stewardship is about how we live our lives and how our lives express our values. It affects all of our decisions, especially the ones we make about the natural and human resources entrusted to us for care. Living stewardship is shalom: living in harmony with others and the world. It is about our relationships, liberation, grace, justice, peace, and mutuality as well as our material possessions. As faithful stewards, we are joined by our common gift of life and the reality of finite resources. We recognize that each of us is a mixture of neediness and fullness and so have responsibility to care for each other as we honor the holy in creation and ourselves. As faithful disciples, we are called to live as generous creatures created by a generous God who mutually shares responsibility with us for all creation. Stewardship involves all people because all are connected in mutually covenanted stewardship within God's original intent for creation....

Use of Art, Music, and Scripture in Faith Practices

Faith Practices activities include many opportunities to grow in faith through the use of scripture, music, and art.

Ordering Posters

If you choose activities that use an art image, you or your church will need to purchase posters of the art by clicking on the link provided in the activity. If you wish to use art, you will need to plan ahead, since it takes 1 to 2 weeks for the posters to arrive after you place your order.
