Addresses

We currently track three types of addresses for churches: mailing, location and campus.

- *Mailing* is the address that is used for all church mailings and other general mailings.
- *Location* is the physical location of the church. This address is used on www.ucc.org/find to provide a map of your church location. Please note that this address is required and you must provide the County when selecting this address type.
- *Campus* is the physical location of an additional campus of your church. This address is also used on www.ucc.org/find.
- If you enter a new location or campus address, please also update the latitude and longitude. View the video **Updating Church Contact Info** at http://www.ucc.org/research_yearbook to learn how to look up a latitude and longitude. (Please note, when mailing and location address are the same, both addresses must be entered.)

Providing an Address Change

- Click the *Add New Address* button. Please provide all required information: Address, City, State, Zip and Address Type. (If you select Location as the address type, County will also be required.)
- *Please only click the Add button **once** to prevent duplicate entries from being recorded.* The system may take a few seconds to process after you click the button.
- Adding a new address will automatically mark the old address as inactive.
- ***Please only use United States Postal Service approved abbreviations in all addresses. Please do NOT use any punctuation.*** The abbreviation guide can be accessed at:
http://pe.usps.gov/text/pub28/28apc_002.htm

Membership

(Video entitled *Updating Annual Church Membership* is available at http://www.ucc.org/research_yearbook.)

- On this screen you can view all data since 1992. Please click *Add New Membership Year Data* when you are ready to provide your data.
- Please do not leave any values blank. Zeroes should be entered.
- After entering all your data please click on the *Calculate Totals* button to compute the totals.
- The 2019 Membership will appear in the field labeled *Total Membership*.
- If this number is incorrect due to previous year's membership being inaccurate, please enter an adjustment number in the adjustment field. **DO NOT enter the correct 2019 membership total in this adjustment field; enter only the number you need to adjust the calculated total to be correct.** (Negative numbers can be entered here.) Click the *Calculate Totals* button again to ensure the correct 2019 membership is recorded.
- When you are satisfied that everything is correct click the *Add* button. If you need to return to this screen at a later time, please click the *Cancel* button.

Attendance

(Video entitled *Updating Annual Worship Attendance* is available at http://www.ucc.org/research_yearbook.)

- This screen operates the same as the Membership screen. Please provide all attendance data on this screen.
- Please do not leave any values blank. Zeroes should be entered.
- If you have questions about Church Participants and Community Engagement please see the “Guide to Yearbook Community Engagement and Total Church Participants Categories” posted at http://www.ucc.org/research_yearbook.

Finance

(Video entitled *Updating Annual Financial Data* is available at http://www.ucc.org/research_yearbook.)

- This screen operates the same as the Membership screen. Please provide all financial data on this screen.
- Fields can be left blank here. Only add zeroes when that is accurate. Do not add zero if you are opting to not provide a value.
- This screen only allows whole dollar amounts. Please round to the nearest whole dollar. Do not enter decimals or dollar signs.

A change was made in the last couple of years in reporting OCWM giving. Your conference will continue to report your Basic Support Giving and your giving to each of the four Special Mission Offerings (i.e., One Great Hour of Sharing, Neighbors in Need, Strengthen the Church and Christmas Fund). You will report all other UCC Giving as *Other UCC Giving*. If you have a question what this might include please see the “Other UCC Giving” document posted at http://www.ucc.org/research_yearbook.

Special Notes

Massachusetts Conference churches participating in United Church Mission (UCM) should NOT include it as Other UCC Giving. Your conference will report UCM in the Basic Support Giving column. Since UCM is shared with the National Setting, it is analogous to Basic Support for the purpose of this report.

New York Conference Reformed Association churches should **NOT** report your Assessment as Other UCC Giving. Your conference will be reporting this giving on your behalf.

Ministerial Support

(Video entitled **Updating Annual Ministerial Support Data** is available at http://www.ucc.org/research_yearbook.)

- This screen operates very similarly to the Membership screen as well. However, you can provide more than one report for the year on this screen if you are reporting for multiple ministerial staff. Please be sure to indicate if this is a full-time position.
- All data provided on this report should be annualized. If your church only had a pastor for part of the year, the compensation should be computed for an annual basis. This will ensure we can compare across churches. **This is not an actual accounting of the amount your church paid, but rather what the church would have paid for this position for an entire year.**
- This data is only used in providing summary reports of average compensation packages of numerous churches. Your church's individual ministerial support data will not be released.

Staff

- This screen displays all current ministerial staff serving your church according to Data Hub records. Please report inaccurate information to your conference or association.

To view a tip sheet regarding the various data collected, please go to http://www.ucc.org/research_yearbook and click on "Annual Yearbook Reporting: Definitions Tip Sheet for Local Churches."

Editing Data

- After you have entered your annual data in the Data Hub you have access to edit this entry until the Data Hub closes on March 4th.
- To edit data on the Membership, Attendance, Financial, or Ministerial Support tabs simply click the pencil icon beside the 2019 year data. This will open the data entry screen for you to make corrections.
- If other years' data needs correction please contact your conference or association.

Church Report

- This will provide you a report of your church's data.
- In the top left corner of this report screen you can select the year for which you'd like data displayed.
- If you'd like a printout of the data you've just reported, select 2019 from the list. (You can also print copies of previous year's reports by selecting the appropriate year.)
- You can print this report by clicking on the printer icon. You can also save this report in a variety of file types. Click on the disk icon to select the type of file you'd like to save. Your conference does not have access to print this report.
- **If you require a copy for your files, please be sure to print it before logging out of the system.**

Supplemental Research Questions

- This year we are continuing the supplemental data collection. We'd like churches to answer a few questions that are not part of the annual Yearbook data collection.
- This data will help the CARD office better understand the congregations we serve and help us plan future research projects.
- A link to this supplemental data collection will be provided on the Data Hub home page. It can be found at https://www.surveymonkey.com/r/Yearbook_2020.
- The survey is very brief and should take no longer than 5 minutes to complete.
- These additional questions are included in the Church Data Entry Guide as well.

Incentives

This year we are offering several incentives for churches that submit **both** their annual Yearbook report and answer the supplemental research questions. Every church that responds to both will be entered into a random drawing for several prizes. The following prizes will be awarded:

- \$100 UCC Resources Gift Card – 5 gift cards will be awarded
- One year free subscription to Access UCC (online Yearbook and Directory) – 10 subscriptions will be awarded
- 2020 Yearbook and Directory – 10 books will be awarded
- Statistical Profile – 10 will be awarded
- Poster customized to your church showing how your church compares to UCC churches nationwide - 5 will be awarded

REMINDERS

- Change your password immediately. Make a note of your updated password.
- Use USPS approved abbreviations only in addresses.
- All questions, concerns or comments should be directed to your conference or association.

- Please report any errors to your conference in the manner in which they asked. Some may have instructed you to use the “Report Data Discrepancy” button throughout the Data Hub and others may have asked you to email them.
